Business Promotion Seed Packets

Attract customers to your business using these charming seed packets with your own personal message.

Say thank you to old clients or promote your business and attract new clients. It's a living gift! After the gift is acknowledged and the seed is sown you will be remembered when the flowers bloom! Seeds from you get sown in people's minds as well as their gardens. A perfect promotional tool.

It's personal, easy, different, memorable, special, very cost effective and... IT WORKS!!!

We will print your name, a personal message, your logo or photograph onto labels attached to our crisp white, 90 x 125 mm seed envelopes. Use our standard designs or design a packet yourself. A mock-up of your packet design can then be emailed to you for your approval. Growing information is on the reverse of the envelope and seeds are in a foil sachet inside.
